### HOMEOWNER'S ASSOCIATION AND MAINTENANCE OF COMMON AREAS

1. Homeowner's Association: Hi-Country Estates, Inc., will form or cause to be formed a non-profit corporation or association for the purpose of maintaining and providing for the common areas, including roads and streets, and each lot owner or owners will be members of such association. Persons or entities purchasing a lot under a contract shall be deemed the owner of such lot for the purpose of membership in the association.

2. Assessment for Maintenance of Road, Street and Other Public Services: Each Grantee and lot owner for himself, his heirs, executors, and assigns, covenants and agrees to pay annually his pro-rata share of the cost to maintain the roads, streets and common areas, including, but not limited to, the common areas set aside for the delivery and pickup of mail, the pickup of children for school by school buses and other vehicles, and an area for garbage collection. Grantee's assessment in this regard shall be paid promptly when the same becomes due as provided in the By-Laws of the Homeowner's Association, and the Grantee's failure to pay same promptly when due shall constitute a lien upon the owner's premises and the same may be enforced in equity or at law as in the case of any lien foreclosure. From and after the \_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, the annual payment may be increased each year up to five per cent (5%) of the maximum authorized payment for the previous year. The Homeowner's Association is obligated to provide maintenance and all other services stated above only to the extent that such maintenance and services can be provided with the proceeds of such annual payments. The foregoing annual fee may be increased by an amount greater than five per cent (5%) of the maximum authorized payment for the previous year, by the written consent of a majority of the lot owners. 3. Extensions of Roads and Common Areas: Hi-Country Estates, Inc., reserves the right to extend the road system into property adjoining Hi-Country Estates, and to plat additional subdivision areas which would be an extension of the road system and common areas as contemplated herein. Should such extension take effect, the lot owners within the adjoining subdivisions shall be required to become members of the Homeowner's Association as contemplated herein and to pay their pro-rata share of the cost.

Duration of Restrictions: All of the conditions, covenants and reservations set forth in this declaration of restrictions shall continue and remain in full force and effect at all times against said property in Exhibit "A" and the owners thereof, subject to the right of change or modification provided for below, until twenty-five (25) years, and shall as then in force be continued

BOOK 3435 PAGE 57

for a period of twenty (20) years, and thereafter for successive periods of twenty (20) years each without limitation, unless, within the six (6) months prior to 19\_\_ or within the six (6) months prior to the expiration of any successive twenty-year period thereafter, a written agreement executed by the then record owners of more than three-fourths (3/4) in area of said property, exclusive of streets, parks, and open spaces, be placed on record in the office of the County Recorder of Salt Lake County, by the terms of which agreement any of said conditions or covenants are changed, modified or extinguished in whole or in part as to all or any part of the property originally subject thereto, in the manner and to the extent therein provided. In the event that any such written agreement of change or modification be duly executed and recorded, the original conditions and covenants, as therein modified shall continue in force for successive periods of twenty (20) years each unless and until further changed, modified or extinguished in the manner herein provided for, by mutual written agreement with not less than seventy per cent (70%) of the then owners of record title of said property (including the mortgagees under record mortgages and the trustees under recorded deeds of trust), duly executed and placed of record in the office of the County Recorder of Salt Lake County, Utah, provided, however, that no change or modification shall be made without the written consent duly executed and recorded of the owners of record of not less than two-thirds (2/3) in area of all lands which are a part of said property and which are held in private ownership within five hundred (500) feet in any direction from any direction from the exterior boundaries of the property concerning which a change or modification is sought to be made.

2. Enforcement: Each and all of said conditions, covenants and reservations is and are for the benefit of each owner of land (or any interest therein) in said property and they and each thereof shall inure to and pass with each and every parcel of said property and shall apply to and bind the respective successors in interest of said Grantor. of this declaration either by setting it forth or by reference therein, accepts the same subject to all of such restrictions, conditions, covenants and reservations. As to each lot owner the said restrictions, conditions and covenants shall be covenants running with the land and the breach of any thereof, and the continuance of such breach may be enjoined, abated or remedied by appropriate proceedings by any such owner of other lots or parcels in said property, but no such breach shall affect or impair the lien of any bona fide mortgage or deed of trust which shall have been given in good faith, and for value; provided, however, that any subsequent owner of said property shall be bound by the conditions and covenants, whether obtained by foreclosure or at a trustee's sale or otherwise.

3. Violation Constitutes Nuisance: Every act or omission, whereby any restriction, condition or covenant in this declaration set forth, if violated in whole or in part is declared to be and shall constitute a nuisance and may be abated by Grantor or its successors in interest and/or by any lot owner; and such remedy shall be deemed cumulative and not exclusive.

4. Construction and Validity of Restrictions: All of said conditions, covenants and reservations contained in this declaration shall be construed together, but if it shall at any time be held that any one of said conditions, covenants, or reservations, or any part thereof, is invalid, or for any reason becomes unenforceable no other condition, covenant, or reservation, or any part thereof, shall be thereby affected or impaired; and the Grantor and Grantee, their successors, heirs, and/or assigns shall be bound by each article, section, subsection, paragraph, sentence, clause and phrase of this declaration, irrespective of the fact that any article, section, subsection, paragraph, sentence, clause or phrase be declared invalid or inoperative or for any reason becomes unenforceable.

5. Right to Enforce: The provisions contained in this declaration shall bind and inure to the benefits of and be enforceable by Grantor, by the owner, or owners, of any portion of said property, their and each of their legal

BOOK 5435 PAGE 99

representatives, heirs, successors and assigns, and failure by Grantor, or any property owner, or their legal representative, heirs, successors, or assigns to enforce any of said restrictions, conditions, covenants, or reservations shall in no event be deemed a waiver of the right to do so thereafter.

6. Architectural Control Committee: The Architectural Control Committee which is vested with the powers described herein shall consist of three (3) persons appointed by the Grantor. Prior to the commencement of any excavations, construction or remodeling or adding to any structure, theretofore completed, there shall first be filed with the Architectural Control Committee two (2) complete sets of building plans and specifications therefor, together with a block or plot plan indicating the exact part of the building site the improvements will cover and said work shall not commence unless the Architectural Control Committee shall endorse said plans as being in compliance with these Covenants and are otherwise approved by the Committee. The second set of said plans shall be filed as a permanent record with the Architectural Control Committee. In the event said Committee fails to approve or disapprove in writing said plans within fifteen (15) days after their submission, then said approval shall not be required. When all lots in said tracts have been sold by Grantor, said plans and specifications shall be approved by an Architectural Control Committee approved by a majority of owners of lots in the property herein described and only owners of said lots shall be privileged to vote for said Architectural Control Committee. The Grantor shall have the right to appoint members of the Architectural Control Committee until such time as all lots in the tract have been sold by the Grantor.

7. Assignment of Powers: Any and all rights and powers of the Grantor herein contained may be delegated, transferred or assigned. Wherever the term "Grantor" is used herein, it includes assigns or successors in interest of the Grantor.

8. Invalidity: It is expressly agreed that in the event any covenant or condition or restriction hereinbefore contained, or any portion thereof is

held invalid or void, such invalidity or voidness shall in no way affect any valid covenant, condition or restriction.
